题目①

Dear Peter,

I' m excited to learn that you are coming to China.

It' s important for you to know some social manners in China. Firstly, it' s polite to say hello and shake hands when we meet someone for the first time. Secondly, we are expected to arrive on time or a few minutes earlier if we are invited to dinner. As for the table manners, we are supposed to wait for the elders to start eating first, which shows respect for the elderly.

I' d like to give you some advice to help you enjoy your stay here. You' d better bring a small gift to your host family. What' s more, it is a good idea to learn some simple Chinese. I hope my advice can help you fit in better.

Please feel free to ask for more information.

Yours,

Li Hua

题目②

Good communication plays an important role in our life.

Last week, I had an argument with my best friend over an important science project which we worked on together. It led to a week of silence. To work things out, we decided to have an open and honest conversation. I listened to his side of the story and explained my thoughts to him. It turned out that we had misunderstood each other. At last, our project went on more smoothly and we had more trust in each other.

I' ve learned that effective communication can not only clear up misunderstanding, but also strengthen our relationship. It allows us to express our feelings, listen to others and reach agreement. Positive communication can turn conflicts into opportunities for growth and bring people closer.
